

# Congratulations!

Many congratulations to our first group of VNRT graduates, all of whom now hold the **Diploma in Veterinary Nurse Rehabilitation Therapy (DipVNRT)**.

October 2012

**Sarah Whittaker**

**Emily Prejac**

**Kelly McManus**

March 2013

**Sharon Masling-Jones**

April 2013

**Samantha Parkhouse**

To pass the Diploma course is a massive achievement for these 5 vet nurses who have all worked extremely hard to complete all their assessed work. Having successfully passed their first 4 pieces of coursework they achieved their **CertVNRT**, and then, having successfully passed the final 3 pieces of coursework and examinations (theory and practical) they achieved their **DipVNRT**.

They have all shown a huge commitment to the course and to small animal rehabilitation, and I'm sure will prove to be very effective and proficient **Veterinary Nurse Rehabilitation Therapists**. Once again, many congratulations to them all from everyone at CPD Solutions and myself.
